Saturday, December 1, 2001

7:30 am - 4:30 pm   **Registration**   *Grand Hall*

Cartographic Basics

9:00 am - 12:00 pm   **Workshop**   *Dallas Ballroom A1*

Presenter

Basics of Cartography

James L. LeBeau
Professor
Administration of Justice and Geography
Southern Illinois University at Carbondale
Carbondale, IL

Crime Analysis, Crime Mapping, and the Web

9:00 am - 12:00 pm   **Workshop**   *Dallas Ballroom A2*

Presenters

Crime Mapping and the Web

Rachel L. Boba
Director
Crime Mapping Laboratory
Police Foundation
Washington, DC

Crime Mapping and the Web

Mary Velasco
Research Associate
Crime Mapping Laboratory
Police Foundation
Washington, DC

Data Scrubbing for GIS

9:00 am - 12:00 pm **Workshop** *Dallas Ballroom A3*

Presenter

Improving Your Geocoding Hit Rate Using Office Applications

Christopher S. Gebhardt
Director
Customer Support Services
CRIS Net
Salt Lake City, UT

Finding Statistically Significant Crime Hot Spots

9:00 am - 12:00 pm **Workshop** *Dallas Ballroom D1*

Presenters

Finding Statistically Significant Crime Hot Spots

Arthur Getis
Stephen and Mary Birch Foundation Chair
Department of Geographical Studies
San Diego State University
San Diego, CA

Finding Statistically Significant Crime Hot Spots

John R. Weeks
Professor of Geography
Director
International Population Center
San Diego State University
San Diego, CA

Getting Started with GIS

9:00 am - 12:00 pm **Workshop** *Dallas Ballroom D2*

Presenters

Getting Started with GIS

Kurt Smith
Police Officer
San Diego Police Department
San Diego, CA

Getting Started with GIS

Deborah Thomas
Assistant Professor
Department of Geography
University of Colorado at Denver
Denver, CO

Integrating GIS in a Law Enforcement Organization

9:00 am - 12:00 pm   **Workshop**   *Dallas Ballroom D3*

Presenter

Implementing GIS Into a Law Enforcement Agency

Ronald E. Wilson
Senior Research Associate
University of Michigan
Crime Mapping Research Center
U.S. Department of Justice
Washington, DC

Mapping for Managers

9:00 am - 12:00 pm   **Workshop**   *Dallas Ballroom B*

Presenter

Mapping for Managers

Tom Casady
Chief of Police
Lincoln Police Department
Lincoln, NE

Tactical Crime Analysis with GIS

9:00 am - 12:00 pm   **Workshop**   *Dallas Ballroom C*

Presenter

Tactical Crime Analysis with GIS: "Lopping Off the Criminal"

Dan Helms
Crime Analyst
Detective Bureau
Las Vegas Metropolitan Police Department
Las Vegas, NV

12:00 pm - 1:30 pm	**Lunch on Your Own**

Addressing Issues of Data, Privacy, and Confidentiality

1:30 pm - 4:30 pm   **Workshop**   *Dallas Ballroom A1*

Presenter

Addressing Issues of Data, Privacy, and Confidentiality

> **Julie Wartell**
> Senior Research and Technology Associate
> Institute for Law and Justice
> San Diego, CA

Census 2000: Applications for Research and Practice

1:30 pm - 4:30 pm   **Workshop**   *Dallas Ballroom A2*

Presenter

Census 2000: Applications Workshop

> **Keith Harries**
> Professor
> Department of Geography and Environmental Systems
> University of Maryland, Baltimore County
> Baltimore, MD

CrimeMap Tutorial: ArcView Version

1:30 pm - 4:30 pm   **Workshop**   *Dallas Ballroom A3*

Presenter

Hands-On Workshop for ArcView 3.X

> **Wilpen L. Gorr**
> Professor
> H. John Heinz III School of Public Policy and Management
> Carnegie Mellon University
> Pittsburgh, PA

Crime Analysis on a Budget

1:30 pm - 4:30 pm   **Workshop**   *Dallas Ballroom D1*

Presenters

Crime Analysis on a Budget: How to Create an Efficient Intelligence-Led Policing Network with Tools You Probably Already Have at the Office

Jonathan Alston
Analyst
Crime Analysis Section
Edmonton Police Service
Edmonton, Alberta
Canada

Crime Analysis on a Budget: How to Create an Efficient Intelligence-Led Policing Network with Tools You Probably Already Have at the Office

Christopher G. Mowbray
Coordinator
Violent Crime Linkage Analysis System
Edmonton Police Service
Edmonton, Alberta
Canada

Environmental Criminology and Crime Mapping: The Importance of Theory

1:30 pm - 4:30 pm   **Workshop**   *Dallas Ballroom D2*

Presenters

Theory of Environmental Criminology

Patricia L. Brantingham
Director
Institute for Canadian Urban Research Studies
Professor
School of Criminology
Simon Fraser University
Burnaby, British Columbia
Canada

Theory of Environmental Criminology

Paul J. Brantingham
Co-Director
Crime Prevention Analysis Laboratory
Professor
School of Criminology
Simon Fraser University
Burnaby, British Columbia
Canada

Government Partnerships Through Enterprise GIS

1:30 pm - 4:30 pm   Workshop   *Dallas Ballroom D3*

Presenter

Government Partnerships Through Enterprise GIS

Thomas A. Evans
Commander
Crime Analysis Section
Pinellas County Sheriff's Office
Largo, FL

Introduction to CrimeStat II: A Toolbox for Analysis of Crime Incidents

1:30 pm - 4:30 pm   Workshop   *Dallas Ballroom B*

Presenters

Introduction to CrimeStat II: A Toolbox for Analysis of Crime Incidents

Richard Block
Professor of Sociology and Criminal Justice
Department of Sociology
Loyola University
Chicago, IL

Introduction to CrimeStat II: A Toolbox for Analysis of Crime Incidents

Ned Levine
Transportation Planning Coordinator
Houston-Galveston Area Council
Director
Ned Levine & Associates
Houston, TX

National Guard GIS Technology Programs
to Support Counterdrug Law Enforcement

1:30 pm - 4:30 pm   Workshop   *Dallas Ballroom C*

Presenters

National Guard GIS Technology Programs to Support Counterdrug Law Enforcement

Melinda K. Higgins
Senior Research Scientist
CD-GRASS Program Manager
Georgia Tech Research Institute
Atlanta, GA

National Guard GIS Technology Programs to Support Counterdrug Law Enforcement

Michael L. Thomas
Technical Project Officer
Counterdrug Office
National Guard Bureau
U.S. Department of Defense
Atlanta, GA

Sunday, December 2, 2001

10:00 am - 5:00 pm   **Registration**   *Grand Hall*

1:00 pm - 1:30 pm   **Welcome and Opening Remarks**   *Dallas Ballroom BC*

Debra A. Stoe
Acting Director
Crime Mapping Research Center
National Institute of Justice
U.S. Department of Justice
Washington, DC

Sally T. Hillsman
Director
Office of Research and Evaluation
National Institute of Justice
U.S. Department of Justice
Washington, DC

Sarah V. Hart
Director
National Institute of Justice
U.S. Department of Justice
Washington, DC

Translating Research Into Practice:
Reflections on the Diffusion of Innovation in Crime Mapping

1:30 pm - 2:45 pm   **Keynote Address**   *Dallas Ballroom BC*

David Weisburd
Professor of Criminology
The Hebrew University Law School, Jerusalem
University of Maryland, College Park
College Park, MD

         2:45 pm - 3:15 pm   **Break**

Community Characteristics and Crime

3:15 pm - 4:45 pm   **Concurrent Panel**   *Dallas Ballroom A1*

Moderator

Akiva Liberman
Social Science Analyst
Office of Research and Evaluation
National Institute of Justice
U.S. Department of Justice
Washington, DC

Presenters

Broken Windows Revisited: Do Code Violations Predict Serious Crime?

Katrina Baum
Research Associate
SPARTA Consulting Corporation
Gaithersburg, MD

Exploring the Spatial and Temporal Dynamics of Crime Before, During, and After Implementation of Community Development Initiatives in Delray Beach, Florida

Jamie Price
Assistant Professor
Department of Criminology and Criminal Justice
Florida Atlantic University
Jupiter, FL

Spatial Linkages Between Unemployment and Crime Rates

Sanjeev Sridharan
Senior Scientist
Caliber Associates
Fairfax, VA

Electronic Access to the National Criminal Justice Reference Service (NCJRS)

3:15 pm - 4:45 pm   **Concurrent Panel**   *Dallas Ballroom A2*

Moderator and Presenter

Electronic Access to National Criminal Justice Reference Service (NCJRS)

William A. Ballweber
Technical Information Officer
Director
National Criminal Justice Reference Service
National Institute of Justice
U.S. Department of Justice
Washington, DC

Offender Tracking

3:15 pm - 4:45 pm   **Concurrent Panel**   *Dallas Ballroom A3*

Moderator and Presenter

Insights Into the Analysis and Patterns of Offender Journeys to Crime

> **Spencer Chainey**
> Head
> Consultancy Services
> Infotech Enterprises Europe
> London
> England

Presenters

On the Trail of the Beast: Tracking Serial Sexual Offenders in Detroit, Michigan, and the Development of Preliminary Typologies

> **Erick E. Barnes**
> Second Deputy Chief
> Community Policing Operations
> Detroit Police Department
> Detroit, MI

Linking Offender Residence Probability Surfaces to a Specific Incident Location: An Application for Tracking Temporal Shifts in Journey to Crime Relationships and Prioritizing Suspect Lists and Mug Shot Order

> **Richard Z. Gore**
> Associate Professor
> Department of Environmental, Earth, and Atmospheric Science
> GIS Laboratory
> University of Massachusetts-Lowell
> Lowell, MA

Topics in Spatial Analysis

3:15 pm - 4:45 pm   **Concurrent Panel**   *Dallas Ballroom D1*

Moderator and Presenter

Geocoding Options for Greatest Accuracy and a First Estimate of a Minimum Geocoding Hit Rate

> **Jerry Ratcliffe**
> Assistant Professor
> Department of Criminal Justice
> Temple University
> Philadelphia, PA

Presenter

A Multi-City Study of Spatial Scale, Land-Use Patterns, and Part I Crime Rates

> **Karen L. Hayslett-McCall**
> GIS Research Analyst
> Population Research Institute
> The Pennsylvania State University
> University Park, PA

Understanding School Safety Issues Both On and Off Campus

3:15 pm - 4:45 pm　　　　　　　**Concurrent Panel**　　　　　　*Dallas Ballroom D2*

Moderator

> **Winifred L. Reed**
> Acting Director
> Crime Control and Prevention Division
> Office of Research and Evaluation
> National Institute of Justice
> U.S. Department of Justice
> Washington, DC

Presenters

Mapping School Safety

> **Robert Feliciano**
> Professor
> Public Safety GIS/GPS Program Coordinator
> Rio Hondo Community College District
> Whittier, CA

Schools as Attractors and Generators of Crime: Routine Activities and the Sociology of Place

> **Caterina Gouvis**
> Research Associate
> Justice Policy Center
> The Urban Institute
> Washington, DC

Why Can't We All Just Share Data: The Importance of Federal Data Standards

3:15 pm - 4:45 pm   **Concurrent Panel**   *Dallas Ballroom D3*

Moderator and Presenter

National Spatial Data Infrastructure: Examples of Success Through Data Sharing – An Update

> **Norman E. Gunderson**
> Director
> The SIGCAT Foundation
> Reston, VA

Presenter

The I-Team Geospatial Information Initiative: A Process to Share and Integrate Data for Criminal Investigations, Homeland Security, Emergency Response, and Public Safety

> **Ronald Matzner**
> Senior Vice President
> Trebizon International Enterprises
> Alexandria, VA

4:45 pm - 6:00 pm   **Crime Map Competition and Awards Ceremony**   *Grand Hall*

Monday, December 3, 2001

7:30 am - 5:00 pm **Registration** *Grand Hall*

ABCs of RFPs for GIS

8:30 am - 10:00 am **Concurrent Panel** *Dallas Ballroom A1*

Moderator and Presenter

ABCs of RFPs for GIS

William Romesburg
Justice Information Systems Specialist
Technology and Research Division
SEARCH
The National Consortium for Justice Information Statistics
Sacramento, CA

Analysis of Auto Related Crime

8:30 am - 10:00 am **Concurrent Panel** *Dallas Ballroom A2*

Moderator

Elizabeth R. Groff
Social Science Analyst
Crime Mapping Research Center
National Institute of Justice
U.S. Department of Justice
Washington, DC

Presenters

Patterns of Alcohol Involved Crashes and DWI Arrests

Robert H. Langworthy
Director
Justice Center
University of Alaska, Anchorage
Anchorage, AK

Problem-Oriented Policing and GIS Applied to Larceny from Auto

Michael J. Humphrey
Management Analyst
Research, Planning, and Analysis Bureau
Charlotte-Mecklenburg Police Department
Charlotte, NC

Burglary Analysis and Research

8:30 am - 10:00 am **Concurrent Panel** *Dallas Ballroom A3*

Moderator and Presenter

Incidence and Time Course of Repeat Victimization for Commercial Burglary and Robbery

> **Deborah Lamm Weisel**
> Director
> Police Research
> Department of Political Science and Public Administration
> North Carolina State University
> Raleigh, NC

Presenter

Property Crimes and Pawn Shops: A Connection Between Crime and Place

> **Kenneth W. Maly**
> Senior GIS Analyst
> Strategic Analysis and Mapping Office
> San Antonio Police Department
> San Antonio, TX

GIS for Courts and Community Corrections

8:30 am - 10:00 am **Concurrent Panel** *Dallas Ballroom D1*

Moderator and Presenter

When Police Get Probation Data: A Look at Some Police Mapping Uses and Applications

> **Vincent J. Webb**
> Professor and Chair
> Administration of Justice
> Arizona State University West
> Glendale, AZ

Presenter

Implementing GIS for Juvenile Court Judges, Managers, Administrators, and Probation Officers

> **Nelson R. Moore**
> Senior Research Analyst
> Research and Planning Division
> Maricopa County Juvenile Court Center
> Phoenix, AZ

Sharing Data for Successful Problem Solving

8:30 am - 10:00 am   **Concurrent Panel**   *Dallas Ballroom D2*

Moderator and Presenter

GADC – Beyond 2001

> **Ronald Barrett**
> Systems Analyst
> Greater Atlanta Data Center
> A.L. Burruss Institute of Public Safety
> Kennesaw State University
> Kennesaw, GA

Presenters

Sharing GIS Resources on the Web

> **Kevin Armstrong**
> GIS Specialist
> Law Enforcement Evaluation and Crime Mapping Program
> Washington/Baltimore High Intensity Drug Trafficking Area
> Greenbelt, MD

Strategic Approaches to Community Safety Initiative in Winston-Salem, North Carolina

> **Julia B. Conley**
> Senior Information Systems Analyst
> Information and Technology Division
> Winston-Salem Police Department
> Winston-Salem, NC

What's New in CrimeStat II

8:30 am - 10:00 am   **Concurrent Panel**   *Dallas Ballroom D3*

Moderator and Presenter

What's New in CrimeStat II

> **Ned Levine**
> Transportation Planning Coordinator
> Houston-Galveston Area Council
> Director
> Ned Levine & Associates
> Houston, TX

Presenter

What's New in CrimeStat II

> **Richard Block**
> Professor of Sociology and Criminal Justice
> Department of Sociology
> Loyola University
> Chicago, IL

<div style="border:1px solid black; padding:10px; text-align:center">

10:00 am - 10:30 am   Break

</div>

Current Policing Issues

10:30 am - 12:00 pm   **Concurrent Panel**   *Dallas Ballroom A1*

Moderator and Presenter

Community Correlates of Serious Assaults on Police

> **Eric S. Jefferis**
> Social Science Analyst
> Crime Mapping Research Center
> National Institute of Justice
> U.S. Department of Justice
> Washington, DC

Presenter

Use of GIS for Assessing Racially Biased Policing

> **Deborah Thomas**
> Assistant Professor
> Department of Geography
> University of Colorado at Denver
> Denver, CO

Evaluation Research

10:30 am - 12:00 pm **Concurrent Panel** *Dallas Ballroom A2*

Moderator and Presenter

Interactive Crime Mapping: Resource Management Tool

> **James Glass**
> Manager
> Strategic Analysis and Mapping Office
> San Antonio Police Department
> San Antonio, TX

Presenter

Spatial Model to Evaluate Impact Effects of Observation and Surveillance Police Stations in a Large Brazilian City

> **Renato M. Assuncao**
> Professor
> Department of Statistics
> Universidade Federal de Minas Gerais
> Belo Horizonte, Minas Gerais
> Argentina

Hot Spot Identification Methods

10:30 am - 12:00 pm **Concurrent Panel** *Dallas Ballroom A3*

Moderator and Presenter

Combining Mapping Methods to Help Law Enforcement Pinpoint Hot Spots

> **Joseph Ryan**
> Program Manager
> Law Enforcement Evaluation and Crime Mapping Program
> Washington/Baltimore High Intensity Drug Trafficking Area
> Greenbelt, MD

Presenters

Data Clustering Using Artificial Neural Networks (ANNs) as a Precursor to Crime Hot Spot Prediction

> **Jonathan Corcoran**
> Researcher
> Department of Computing
> University of Glamorgan
> Pontypridd, Wales
> England

Detecting Hot Spots Using Cluster Analysis and GIS

> **Tony H. Grubesic**
> Postdoctoral Researcher
> Center of Urban and Regional Analysis
> The Ohio State University
> Columbus, OH

Mapping in Small Town U.S.A.

10:30 am - 12:00 pm   **Concurrent Panel**   *Dallas Ballroom D1*

Moderator and Presenter

Mapping in Podunk: Issues and Problems in the Implementation and Use of GIS in Small and Rural Law Enforcement

> **Derek J. Paulsen**
> Director
> Crime Mapping Laboratory
> Assistant Professor
> Department of Political Science and Criminal Justice
> Appalachian State University
> Boone, NC

Presenters

Mapping Non-Urban Crime: Issues of Data and Technology

> **Jay T. Gilliam**
> Research Assistant
> Institute for Public Affairs
> University of Oklahoma
> Norman, OK

Using Regional Approaches to Establish GIS in Small to Medium Police Jurisdictions: A North Carolina Perspective

> **Irvin B. Vann**
> Doctoral Student
> Public Administration Program
> North Carolina State University
> Raleigh, NC

Natural Disaster Mapping for Policing

10:30 am - 12:00 pm   **Concurrent Panel**   *Dallas Ballroom D2*

Moderator and Presenter

GIS and Natural Disasters: Policing During Hurricane Hugo

> **James L. LeBeau**
> Professor
> Administration of Justice and Geography
> Southern Illinois University at Carbondale
> Carbondale, IL

Software to Track Incidents In and Around Schools

10:30 am - 12:00 pm   **Concurrent Panel**   *Dallas Ballroom D3*

Moderator

> **Debra A. Stoe**
> Acting Director
> Crime Mapping Research Center
> National Institute of Justice
> U.S. Department of Justice
> Washington, DC

Presenters

Using GIS to Enhance the Study of Crime and School Safety Issues

> **Priti Mathur**
> Vice President
> ARCBridge Consulting and Training, Inc.
> Herndon, VA

School COP: Application for Tracking School Incidents and Crime

> **Thomas F. Rich**
> Associate
> Abt Associates Inc.
> Cambridge, MA

<div style="border: 1px solid black; padding: 10px;">

Luncheon and Keynote Speaker

12:00 pm - 1:15 pm **Luncheon** *Austin Ballroom*

Campaigning for Leadership: The Seattle COMPASS Experience

Gerard Sidorowicz
Director
COMPASS Project
City of Seattle
Seattle, WA

</div>

Analytical Techniques to Support Crime Prevention

1:30 pm - 3:00 pm **Concurrent Panel** *Dallas Ballroom A1*

Moderator and Presenter

Beyond Description to Analysis with Geographic Information Systems

George F. Rengert
Professor
Department of Criminal Justice
Temple University
Philadelphia, PA

Presenter

Narrowing the Search: Utilizing a Probability Grid in Tactical Analysis

Bryan Hill
Crime Analyst
Support Services-Crime Analysis Unit
Glendale Police Department
Glendale, AZ

Discussion Panel: Building a Data Sharing Infrastructure: COMPASS

1:30 pm - 3:00 pm **Concurrent Panel** *Dallas Ballroom A2*

How Three COMPASS Communities are Dealing with Key Issues

Moderator

Erin Dalton
Program Specialist
Office of Research and Evaluation
National Institute of Justice
U.S. Department of Justice
Washington, DC

Discussants

Cletus Hyman
Deputy Chief of Police
Redlands Police Department
Redlands, CA

Jim Pingel
Policy Director
COMPASS Project
Office of the Mayor
Milwaukee, WI

Gerard Sidorowicz
Director
COMPASS Project
City of Seattle
Seattle, WA

Getting Started with the Community Policing Beat Book

1:30 pm - 3:00 pm	Concurrent Panel	*Dallas Ballroom A3*

Moderator and Presenter

Getting Started with the Community Policing Beat Book

Kurt Smith
Police Officer
San Diego Police Department
San Diego, CA

Mapping Firearms Markets

1:30 pm - 3:00 pm	Concurrent Panel	*Dallas Ballroom D1*

Moderator

Lois Felson Mock
Senior Social Scientist and Program Manager
Office of Research and Evaluation
National Institute of Justice
U.S. Department of Justice
Washington, DC

Presenters

Mapping Gun Seizures and Gun Crime in a Problem Solving Context

> **Scott H. Decker**
> Professor
> Department of Criminology and Criminal Justice
> University of Missouri-St. Louis
> St. Louis, MO

Firearms Markets: New Measures in Support of Firearms Trafficking Investigations

> **John R. Freeman**
> Analyst and Sociologist
> Crime Gun Analysis Branch
> Bureau of Alcohol, Tobacco and Firearms
> U.S. Department of the Treasury
> Falling Waters, WV

Topical Applications of GIS

1:30 pm - 3:00 pm **Concurrent Panel** *Dallas Ballroom D2*

Moderator and Presenter

Smuggling Operations Revealed Using GIS

> **Daniel Isenberg**
> Federal Agent
> Department of Enforcement Technology
> U.S. Border Patrol
> U.S. Department of Justice
> Chula Vista, CA

Presenters

Using GIS to Reconcile Crime Scenes with Those Indicated by Serial Criminals

> **Antony K. Cooper**
> Divisional Fellow
> Technology and Investment Analyst
> Information and Communications Technology Group
> CSIR
> Pretoria, Gauteng
> South Africa

Using Spatial Analysis to Recover Missing Children of Family Abductions

> **Geraldine P. Kochan**
> Research Analyst
> Case Analysis and Support Division
> National Center for Missing and Exploited Children
> Alexandria, VA

Using GIS to Enhance Public Safety

1:30 pm - 3:00 pm   **Concurrent Panel**   *Dallas Ballroom D3*

Moderator and Presenter

Maximizing Public Safety Returns on GIS Investment in Wayne County, Michigan: Integrating Local, State, and Federal GIS Data for Crime Analysis and Problem-Solving

David Martin
Research Professor
College of Urban, Labor, and Metropolitan Affairs
Center for Urban Studies
Wayne State University
Detroit, MI

Presenter

Crime Mapping in the Buenos Aires Province of Argentina: Initial Experience and Current Decentralization Trends

Gastòn Pezzuchi
Subinspector Officer
Crime Mapping and Analysis Unit
Criminal Intelligence Department
Buenos Aires Province Police Force
La Plata, Buenos Aires
Argentina

3:00 pm - 3:30 pm   Break

Customized Crime Mapping Applications

3:30 pm - 5:00 pm   **Concurrent Panel**   *Dallas Ballroom A1*

Moderator and Presenter

CrimeShow: Boston Police Department's Crime Mapping Application

Don McGough
Director
Office of Research and Evaluation
Boston Police Department
Boston, MA

Presenters

ReCAP-SDE Program: Free Software for Crime Analysis

Jason Dalton
Director
Virginia Institute for Justice Information Systems
Department of Systems Engineering
University of Virginia
Charlottesville, VA

The Practical Challenges to Deploying a Tactical Crime Analysis Program (RCAGIS) in a Police Department

Paul Herman
Lieutenant
Crime Analysis Unit
Baltimore Police Department
Baltimore, MD

Drugs and Crime

3:30 pm - 5:00 pm   **Concurrent Panel**   *Dallas Ballroom A2*

Moderator and Presenter

Multi-Jurisdictional Crime Mapping: Using Massachusetts NIBRS Data to Examine the Sale and Distribution of Heroin in One Region of the State

Don Faggiani
Executive Director
Wyoming Statistical Analysis Center for Rural Policy Studies
University of Wyoming
Laramie, WY

Presenter

Geographic Analysis of the Effect of Drug Treatment Centers on Neighborhood Crime

Susan J. Boyd
Clinical Fellow
National Institute on Drug Abuse Intramural Research Program
National Institutes of Health
Baltimore, MD

How to "Sell" Your Intelligence Analysis

3:30 pm - 5:00 pm   **Concurrent Panel**   *Dallas Ballroom A3*

Moderator and Presenter

Maximizing Your Mapping Impact with Effective Use of Color and Presentation Skills

> **Jerry Ratcliffe**
> Assistant Professor
> Department of Criminal Justice
> Temple University
> Philadelphia, PA

"I Could Have Sworn I Parked Here!" Combating Auto Theft with GIS

3:30 pm - 5:00 pm   **Concurrent Panel**   *Dallas Ballroom D1*

Moderator and Presenter

Mapping Criminal Events: Analysis of Vehicle Theft Using Conditional Locational Interdependence (CLI) Analysis

> **Leslie W. Kennedy**
> Director
> Crime Mapping Research Lab
> Professor and Dean
> School of Criminal Justice
> Rutgers University
> Newark, NJ

Presenter

Where to Recover the Stolen Vehicles? Investigating Spatial Relationship Between Vehicle Theft and Recovery Locations

> **Yongmei Lu**
> Assistant Professor
> Department of Geography
> Southwest Texas State University
> San Marcos, TX

Student Paper Competition

3:30 pm - 5:00 pm **Concurrent Panel** *Dallas Ballroom D2*

Moderator

> **Lauri M. Velotta**
> Contractor
> ACS Defense, Inc.
> Crime Mapping Research Center
> National Institute of Justice
> U.S. Department of Justice
> Washington, DC

Presenters

Neighborhoods and Crime Rates: A Redefinition of Ecology

> **Karen L. Hayslett-McCall**
> GIS Research Analyst
> Population Research Institute
> The Pennsylvania State University
> University Park, PA

Using Crime Mapping to Measure the Negative Secondary Effects of Adult Businesses in Fort Wayne, Indiana: A Quasi-Experimental Methodology

> **Bryant Paul**
> Graduate Assistant
> Social Science Survey Center
> University of California, Santa Barbara
> Santa Barbara, CA

Technical Aspects of Building a Data Sharing Infrastructure: COMPASS

3:30 pm - 5:00 pm **Concurrent Panel** *Dallas Ballroom D3*

Moderator

> **Elizabeth R. Groff**
> Social Science Analyst
> Crime Mapping Research Center
> National Institute of Justice
> U.S. Department of Justice
> Washington, DC

Presenters

COMPASS Technology: Data Gathering, System Design, and Geographic Analysis

Joe Kabel
President
Northwest Crime and Social Research, Inc.
Olympia, WA

COMPASS Technology: Data Gathering, System Design, and Geographic Analysis

Nancy A. Olson
GIS Manager
Information and Management Technology Division
City of Milwaukee
Milwaukee, WI

Tuesday, December 4, 2001

7:00 am - 12:15 pm   *Registration*   *Grand Hall*

International Interests: Mapping Efforts Across the Globe

7:30 am - 8:15 am   *Plenary Session*   *Dallas Ballroom BC*

Presenter

International Crime Mapping: Unique Challenges and Opportunities

John Markovic
Senior Planner
Vera Institute of Justice
New York, NY

Community Characteristics and Crime

8:30 am - 10:00 am   *Concurrent Panel*   *Dallas Ballroom A1*

Moderator

Akiva Liberman
Social Science Analyst
Office of Research and Evaluation
National Institute of Justice
U.S. Department of Justice
Washington, DC

Presenters

Broken Windows Revisited: Do Code Violations Predict Serious Crime?

Katrina Baum
Research Associate
SPARTA Consulting Corporation
Gaithersburg, MD

*Exploring the Spatial and Temporal Dynamics of Crime Before, During, and After Implementation
of Community Development Initiatives in Delray Beach, Florida*

Jamie Price
Assistant Professor
Department of Criminology and Criminal Justice
Florida Atlantic University
Jupiter, FL

Discussion Panel: Spatial Analysis

8:30 am - 10:00 am   **Concurrent Panel**   *Dallas Ballroom A2*

Spatial Analysis Discussion Panel

Moderator

> **Eric S. Jefferis**
> Social Science Analyst
> Crime Mapping Research Center
> National Institute of Justice
> U.S. Department of Justice
> Washington, DC

Discussants

> **Spencer Chainey**
> Head
> Consultancy Services
> Infotech Enterprises Europe
> London
> England

> **Wilpen L. Gorr**
> Professor
> H. John Heinz III School of Public Policy and Management
> Carnegie Mellon University
> Pittsburgh, PA

> **Karen L. Hayslett-McCall**
> GIS Research Analyst
> Population Research Institute
> The Pennsylvania State University
> University Park, PA

> **George F. Rengert**
> Professor
> Department of Criminal Justice
> Temple University
> Philadelphia, PA

Estimating Crime Across Place and Time

8:30 am - 10:00 am   **Concurrent Panel**   *Dallas Ballroom A3*

Moderator and Presenter

Aorism: Can We Improve on the Uniform Assumption?

Ian P. Williamson
Director
Leadership, Management, and Organisation Section
Policing & Reducing Crime Unit
Home Office
London
England

Presenter

Using Dasymetric Mapping for Spatially Aggregated Crime Data and Exploratory Spatial Data Analysis

Erika Poulsen
Research Director
Crime Mapping Research Laboratory
School of Criminal Justice
Rutgers University
Newark, NJ

Improving Web Research Skills

8:30 am - 10:00 am   **Concurrent Panel**   *Dallas Ballroom D1*

Moderator and Presenter

Improving Web Research Skills

William A. Ballweber
Technical Information Officer
Director
National Criminal Justice Reference Service
National Institute of Justice
U.S. Department of Justice
Washington, DC

Presenter

Improving Web Research Skills

James Fort
Supervisor
Online Research and Information Center
National Criminal Justice Reference Service
National Institute of Justice
U.S. Department of Justice
Washington, DC

Police/Public Housing Partnerships

8:30 am - 10:00 am　　　　　**Concurrent Panel**　　　　　*Dallas Ballroom D2*

Moderator and Presenter

Using GIS for More Effective Crime Prevention Planning In and Around Public Housing Developments: Patterns of Diffusion of GIS Crime Data in Police and Public Housing Agencies

Hal Holzman
Criminologist
Program Evaluation Division
Office of Policy Development and Research
U.S. Department of Housing and Urban Development
Washington, DC

Presenters

Managing Crime: Using Crime Mapping in Planning Security Strategies in the Context of Multifamily Housing

John G. Hayes
Director of Research
Vice President for Housing
SPARTA Consulting Corporation
Gaithersburg, MD

Public Housing Authorities and Police: Partnerships for Crime Prevention in Public Housing Using GIS

Bill Wheaton
GIS Program Manager
Research Triangle Institute
Research Triangle Park, NC

Public Policy Implications of Mapping

8:30 am - 10:00 am   **Concurrent Panel**   *Dallas Ballroom D3*

Moderator and Presenter

Applications of Mapping Within a Public Policy Environment

Stephen Mihorean
Principal Statistician
Research and Statistics Division
Department of Justice Canada
Ottawa, Ontario
Canada

Presenter

Crime Analysis Mapping in India: A GIS Implementation in Chennai City

Jaishankar Karuppannan
Doctoral Research Fellow
University Grants Commission
Department of Criminology
University of Madras
Chepauk, Chennai
India

10:00 am - 10:30 am   Break

Mapping and Terrorism

10:30 am - 12:00 pm   **Plenary Session**   *Dallas Ballroom BC*

Moderator

Debra A. Stoe
Acting Director
Crime Mapping Research Center
National Institute of Justice
